SENIORS MAKE FINAL DECISIONS

The Senior of L.H.S. held a class meeting Wednesday noon in Room 307 to decide on a number of things. President Ron Geitzen called the meeting to order.

The first order of business was to vote on the class flower. The daisy was chosen. Next it was decided the class colors are red, white, and blue. The motto for the class of '68 is "From now 'till-then we'll never give up." The class song is "The Impossible Dream".

JUNIORS MAKE PLANS FOR THE PROM

"Moonlight and Roses" has been chosen for the theme of the 1968 Prom.

Heath Hunt Brass is the name of the band that was chosen. In 1966 this band played in Lakeview under the name of the "004 Agents".

They get their name from Mr. Don Heath and Mr. Paul Hunt. These men "sponsor" the band in a sense.

Heath Hunt Brass can play a hit of everything but "slow dances" music is their specialty. Henri Mancini song's and ideas are employed in their music. All of their arrangements are written by one of the "Brass" members.

The members of this band are Bruce Bean, Al Derbaan, Greg Hage, Dave Mumma, and Jon VanderBrook.

EDITORIAL

THINK BEFORE VOTING!!

Well, it's that time of the year when we think about having our final meeting of our clubs and organizations and finishing things off until next year. One of the things that takes place in most clubs before school gets out for summer vacation is the election of new officers for next year. Have you ever noticed how many people get elected to an office simply because they are cool or popular. Many people don't want the responsibility and work that goes along with an office, all they want is the name or title. It is these kind of officers that make a club lose members. Why would anyone want to participate in a club that not even its officers work for?

Remember, there is a lot of responsibility in holding an office, so before you vote for someone because of his looks or popularity, look into his past and see how faithful and how hard he worked in the club other years. and also yourself, "What kind of an officer would he or she really make?"

LOCAL BANDS RECOGNIZED

There are two bands in Lakeview that have been playing for quite a while but without recognition from the Wildcat Chronicle staff. They are the "Soul Generation" and the "Graveyard Circus." Both these bands are featured in this week's edition of the Wildcat Chronicle.

The "Soul Generation" group did not have any specific name until recently when a name was required to enter a band contest. It was then that this name was thought up.

This group was originally composed of Jim Wright, Gale Rodarmer, Tim Comden, and Jerry Riojas. Jim Mulholland and Ron Knaus were later added to this group.

Jim Wright, a junior at LHS, is the lead singer and he also plays the rhythm guitar. Jerry is a junior at LHS and his part in the group is as a singer. Tim is a senior at LHS and he plays the drums for the Soul Generation. Ron Knaus, a junior at Greenville High School, plays the organ and sings. Jim Mulholland plays the bass guitar, and is a junior at LHS. Gale, a junior at LHS, plays the lead guitar and also sings.

This group has played twice at Lakeview, and at Montabella High School. They have also participated in the Battle of the Bands which was held in Greenville. They have played at the Sweet Note in Chipewa.

will again play at the Sweet Note the 29th of May. They will play there once more in June and will also play at a picnic for the Leppinks store, the same month. In the future, there is another Battle of the Bands to be held in Stanton where they will play. The Soul Generation is going to audition for the Sound Lounge in Mount Pleasant and the Blue Light in Midland.

GRAVEYARD CIRCUS

The second of the two Lakeview bands is known as the "Graveyard Circus."

This unusual name came about one day as Steve Bowser and Allen Caswell sat in geometry class.

The members of this group are Alan Caswell, Ed Foster, Steve Bowser, Rich Kelly, Patty Schmitz, and Andris Kazmers. The original members were Steve, Alan, and Rich.

Alan, a junior at LHS, sings and plays the lead guitar. Steve, a sophomore at LHS, sings and plays the rhythm guitar. Rich, a sophomore at LHS, plays the drums and also sings. Ed, a senior from Montabella, sings and plays the bass guitar. Patty, a senior at LHS, sings and plays the organ. Andris, a senior of LHS, is the lead singer.

The "Graveyard Circus" has played for Remus, Lakeview, and Montabella high schools. They have also taken part in the Battle of the Bands held at Greenville.

June 6th is the date of their next engagement when they will play at the high school in Homer, Michigan.

A NEW WAY TO ELECT!

In the fall we meet and choose our officers within an hour. Wouldn't it be better if we could campaign for an office? When the people who really wanted an office could run for it and the best person could win. As it is now, the elections are so hurried that no one even has time to consider who would be the best person for the job so they end up voting for the one who is the best popular. I think it's time we started considering a person's qualifications before giving him an office.

Campaign speeches and campaigns would also help us to understand politics and the presidential elections. And that's really one of the main ideas of electing high school officers anyway, isn't it?

Spring

I wish spring were here
Because of the snow,
The roads are not clear
And my nose I do blow.

I wish spring were here
So birds could come back,
Something is missing
Their singing I lack.

Now spring is here
And the sun is back
The roads are clear
And the boats are in the rack.

Now spring is here
And baseball I play
My nose will stay clear
I hope spring will stay.

IS THIS YOU??

How many times have you ever walked down a hall of L.H.S. and someone said "Hi", but what about the times you didn't return this greeting? Why didn't you? Is it because you thought that you were too good for the other guy or maybe it was because this guy had the reputation. This may not be true all of the time but most people that have made a mistake realize it and want to reform; but who gives them the chance? They're branded the rest of their high school years. Aldous Huxley says, "Rolling in the muck is not the best way of getting clean." This pertains to the other "bad ones" who really don't care. Everyone is entitled to at least one mistake and remember you've probably made some yourself.

"Please try to realize, Benjamin, that I am no longer interested in playing third base and batting in the lead-off spot."

EDITORIALS

How about you?

There are about ten days left of school for those of us at L.H.S. For the Seniors, it is their last days of high school and for the rest of us, well- we'll be coming back. But before we return, there are three months of summer vacation. What are most of us going to do? Some of us will be working and others will be doing nothing but taking it easy until next year. Why don't we make this summer useful by doing something creative? There are so many things that could be done during this time. These are the things which are usually put off until later. We could be earning money for the future. Summer vacation also provides ample time to read those books that you could never find the time and had to put them aside until later. Summer weeks are the perfect time to accomplish those "undone" jobs. Try to do something worthwhile this summer. Who knows, you may surprise yourself?

The Road of Life

The future belongs to those daring adventurers who sail their ships boldly into the years ahead; to those who are not afraid to venture new ideas; to those who have the courage to try for big things; to those who give themselves unselfishly to their chosen tasks.

Let all men venture hard work, humility, honesty, clean living, and high thinking.

Whoever we are, wherever we are, let us send out our ships. Let us venture high purposes and shining ideals. Let us venture our abilities and energies. With such ventures aboard the ship of today, we need have no fear for the tomorrows.

Remember

Students, - please remember that school is almost at an end and there are countless items to recall. Please ask yourselves: Have I any unpaid bills? Have I any overdue and unreturned library books? Have I caught up on my "missed" assignments and "untaken" tests? Is my locker clean and all things out of it except for the necessary items? Can my books be cleaned-out and pencil marks erased? Have I put forth my best efforts on these last assignments? Can I renew any friendships lost through my own faults, either with adults or fellow students? There are many, other things so please try to remember as many as possible and as soon as possible. There isn't too much time left so act now on accomplishing these items if you haven't already done so. Then you will be able to start next years term fresh.
